## Winners Announced at the 15th Annual HD Awards

Hospitality Design (HD) magazine announced project and product winners during the 15th annual HD Awards ceremony in New York at Cipriani 25 Broadway last night. Jiyu Spa in Danyang, China was named Best in Show in projects, while Masque Collection by REPUBLIC OF II BY IV for Suite 22 Contract took home Best in Show for products.

With more than 1,000 entries submitted in our project and product categories, the judges selected 122 finalists and winners.

Chosen by the HD editorial staff, the HD Awards also honored ASH NYC as Hotelier of the Year for the firm's work rehabbing landmarked buildings in underserved markets. Studio Tack took home the Design Firm of the Year designation to celebrate its work reviving rundown motels, inns, and lodges.
